

# Financial Protection Academy

Capacity Building and Knowledge Exchange on  
Crisis and Disaster Risk Finance

CREATING THE BEST TALENT TO TAKE CRISIS OUT OF DISASTER

**Disaster Risk Financing  
& Insurance Program**

SUPPORTED BY

**WORLD BANK GROUP**

The Disaster Risk Financing and Insurance Program provides client countries with expertise on financial risk management for disasters, climate shocks, and other crises. We offer a suite of services encompassing analytical, capacity building, advisory as well as financial to aid vulnerable countries to shift from being crisis responders to becoming proactive risk managers. This requires public officials with understanding in a combination of technical and policy areas. We help build that capacity through all our engagements.

## With Financial Protection Academy, participants will:

Enjoy a 100% demand-driven and operationally relevant curriculum

Be empowered by an interactive learning model

Get connected to the global alumni base

Be part of a collaborative learning community on DRF

Meet diverse and experienced participant cohorts

Leverage strong partnerships and networks

*"After attending the program, I am more confident to say that Sierra Leone is now better prepared to manage new types of disasters moving forward."*

Hon. Dr. Patricia N Laverley,  
Deputy Minister of Finance,  
Sierra Leone
